

ASSET INFORMATION FORM

INSTRUCTIONS

The following is an explanation of cash, net worth of real estate and investments, net worth of business, and net worth of investment farm. Use these explanations as a guide when determining the amounts requested in lines one through four.

1. **Cash, savings, and checking accounts.** Write in the amount of money you have in cash, saving accounts, and checking accounts today. Do not include the current balance of checking or savings accounts if you do not have access to the money because the state declared a bank emergency due to the insolvency of a private deposit insurance fund.
2. **Net worth of real estate and investments.** (Net worth means current value minus debt.) Investments include real estate (other than your home), trust funds, money market funds, certificates of deposit, stocks, bonds, other securities, installment and land contracts (including mortgages held), commodities, etc. Investment value includes the market value of these investments. Do not include the value of life insurance and retirement plans (pension funds, annuities, IRA's, Keogh plans, etc.) or the value of prepaid tuition plans. Investment debt means only those debts that are related to the investments. **If net worth is negative, enter zero.**
3. **Net worth of business.** (Net worth means current value minus debt.) Business value includes the market value of land, buildings, machinery, equipment, and inventory. Business debt means only those debts for which the business was used as collateral. **If net worth is negative, enter zero.**
4. **Net worth of investment farm.** (Net worth means current value minus debt.) Investment farm value includes the value of the land, buildings, machinery, equipment, livestock, inventories, etc. Investment farm debt means only those debts for which the farm was used as collateral. Do not include a farm that you live on and operate. **If net worth is negative, enter zero.**
